TITLE: School Improvement and Education Accountability

POLICY:

The School Board of Orange County, Florida (Board) shall be responsible for maintaining a system of school improvement and education accountability pursuant to the Florida Statutes and State Board of Education Rules. The system of school improvement and education accountability shall be consistent with, and implemented through, the district's continuing system of planning and budgeting required by the relevant Florida Statutes.

- (1) The system shall include, but not be limited to, the following components:
 - (a) School improvement plans;
 - (b) Early warning system;
 - (c) Public disclosure; and
 - (d) School improvement funds.

- (2) Upon the Board's approval, the Superintendent may request a waiver of any law specified in the relevant Florida Statutes or State Board of Education Rules in order to facilitate innovative practices and to allow local selection of educational methods implementing the system for school improvement and education accountability. The request shall be directed to the commissioner of education and shall include a statement regarding performance standards for ensuring maximum accountability.
